PROFILE

I am a passionate and driven full stack developer with a keen interest in building seamless web applications. As a software engineering undergraduate, I have honed my skills in both front-end and back-end development through various projects. Currently, I am seeking an internship opportunity where I can leverage my skills, learn from experienced professionals, and grow as a developer. If you're looking for a motivated and quick-learning intern to join your team, I'd love to connect!
